

HELLO AND WELCOME TO MY WEBSITE.
My name is Jennifer Ward.
Certified Consulting Hypnotist.

I began my therapeutic/counseling/wellness journey in college decades ago coupled with a law enforcement/corrections career and have since dedicated my time to a private practice offering services to general clients and those specialty clients who are law enforcement/first responders looking for alternative solutions.

I am credentialed and own/operate an outpatient licensed Substance Disorder Treatment Facility. Offering traditional Drug/Alcohol Counseling/Treatment and DUI services (www.aplusduiservices.com). I followed up with hypnotherapy training with one of the best hypnotherapy instructors in the nation Erika Flint/Cascade Hypnosis Training Center, offering an advanced program called 5-PATH®, created by Cal Banyan at the Banyan Hypnosis Center. I am a Certified Consulting Hypnotist, Master Hypnotist, 5-PATH Consulting Hypnotist and 7th Path®, Self-hypnosis Teacher and a member of the National Guild of Hypnotists.

Hypnosis is used to help clients discover the subconscious reasons for their symptoms, behaviors, or habits. Tools and techniques in this Five Phase Advanced Transformational Hypnosis System are then used to help release and relearn new positive ways of thinking, subconsciously.
